8.01 Obligation to Construct or Reconvey

In the event that a lot owner has not commenced and thereafter diligently pursued, in good faith, construction of the planned improvements upon any lot in the Park within a period of one (1) year after the date of conveyance of such lot by Declarant or Declarant's Designated Representative, then Declarant shall have an option to repurchase such lot for an amount equal to ninety percent (90%) of the price initially paid to Declarant for such lot. Such option may be exercised upon the mailing of written notice thereof to the last known address of the lot owned by Declarant, after which said lot owner shall be obligated to reconvey and deliver possession of said lot to Declarant by deed of general warranty, free and clear of any and all liens, claim and encumbrances. Where a lot is leased from Declarant, and construction has not commenced thereon by the Lessee prior to the deadline set forth in this Paragraph above, the Declarant shall have the option of retaining all lease payments previously made, refunding any lease payments paid in advance, terminating the lease and retaking possession of the property. Any conveyance by the Declarant of any lot in the Park shall be made and accepted upon the condition that such Purchaser shall reconvey the property upon Declarant's exercise of the option set forth herein. The option in favor of Declarant set forth in this Paragraph shall continue in full force and effect until such time as consideration of the planned improvements have commenced, and thereafter is diligently pursued to completion.

8.02 Extension of Construction Start Deadline

Upon the written request of the owner, operator, purchaser, occupant or lessee of any lot within the Park, which request includes an explanation of unavoidable events or circumstances causing a delay in the commencement and pursuit of construction, the Declarant may extend the time within which construction of the planned improvements must commence and the time in which the Declarant may exercise its option shall accordingly be extended. The Declarant must respond in writing to such a request, communicating its approval or denial of the time extension and identifying the time period of any extension, within fourteen (14) days of the receipt of the request, failing which such request for extension shall be deemed to have been granted.

9.0 EXCEPTIONS AND MODIFICATIONS

Upon written application by a lot owner, operator, occupant, lessee or prospective lot owner requesting relief from a provision contained in this Declaration that would in the opinion of the Declarant work an undue hardship on such owner, operator, occupant, lessee or prospective owner in making improvements to the property, the Declarant may grant relief from the covenants and restrictions of this Declaration in the form of an exception, variance or modification. Any such exception, variance or modification shall be limited in scope to that essential to provide the necessary relief, shall maintain the spirit and intended effect of the covenants and restrictions set forth herein, and shall be prepared in written, recordable form and be placed of record in the Office of the Clerk of Nelson County, Kentucky.

10.04 Liability

Neither Declarant nor its employees, agents, representatives, successors or assigns shall be liable to any owner, operator, lessee, licensee or occupant of land within the Park or subject to this Declaration by reason of mistake in judgment, negligence, nonfeasance, malfeasance, action or inaction, or for the enforcement or failure to enforce any provisions of this Declaration. Each and every owner, operator, lessee, licensee or occupant of any of said property within the Park, upon accepting an interest in and to such property, agrees that they waive any right to and will not bring any action or suit against Declarant or its employees, agents, representatives, successors or assigns to recover any such damages or to seek equitable relief.

10.05 Rights of Mortgages.

All restrictions and other provisions set forth herein shall be deemed subject and subordinate to the lien of all bona fide mortgages or deeds of trust upon the real property subject to this Declaration and none of the covenants, conditions or restriction set forth herein shall supersede or in any way reduce the security or affect the validity of any such mortgage or deed of trust; provided, however, that if any portion of said property is sold under a foreclosure of any mortgage or under the provisions of any deed of trust, any purchaser at such sale, and such purchaser's heirs, successors and assigns, shall hold any and all property so purchased subject to all of the terms, covenants, conditions and restrictions set forth in this Declaration.
